OUR VISION

A Nevada in which domestic and sexual violence are eradicated and healthy relationships thrive.

OUR MISSION

To be a statewide voice advocating for the prevention and elimination of domestic and sexual violence through partnering with communities.

PURPOSE OF THE COMPENDIUM

This Compendium was created to provide domestic violence advocates and allies with a quick reference guide to domestic violence laws in Nevada. The statutes are summarized in alphabetical order with the heading hyperlinked to view laws in their entirety. We hope this document is helpful in navigating the sometimes complex laws in Nevada. The Compendium will be updated following each biannual legislative session.

UPDATES FROM THE 2017 LEGISLATIVE SESSION

Updated statutes are *italicized and in purple* and contain a link to the bill. Only the portions of the law that changed during the 2017 session are highlighted. The Legislative Counsel Bureau has not updated the online statutes, so we recommend referring to the bill text for statutory changes. Contact policy@ncedsv.org with any questions.
